

Belgian Open Skiff 2010

The 5th edition of the world famous Belgian Open Skiff will take place over the weekend of June 26th & 27th. The event is hosted by club SNEH on the picturesque Lac de l'Eau d'Heure (aka Plaitte Taille) located in the southern districts of Belgium.

This is the fourth stop of the inaugural Musto Skiff Euro Cup series but will also play host to the 49er open Belgian Championship and the 29er Cup. Don't worry too much about the two-man training boats though, they will be far too amazed with our awesomeness to get in the way.

10 races are planned for the weekend, 5 each day. First signals will be made at 1300 Saturday and 1000 Sunday. Courses will be windward-returns with a clearance mark. Competitors are reminded to have the common courtesy to let me cross the finish line before they do...

Free camping just outside of the club's grounds and for those wanting something a little more comfortable there is a LANDAL holiday park nearby with chalets available.

Meals will be available Friday evening, even for late arrivers. A fantastic BBQ on the Saturday evening, breakfast on the Sunday morning and lunch both days. Also, there will be plenty of cold Chimay available at the bar. My apologies to any British considering attending but it is cold and it does taste great. Sorry.

Racers are encouraged to go to www.skiffbenelux.com and register for the event so that the organisers can make certain there are enough provisions and prizes for everyone.

See you on the water.
