18. DISCLAIMER OF LIABILITY

Competitors participate in the regatta entirely at their own risk and they are entirely responsible for their own safety - See RRS 4, Decision to Race.

'The responsibility for a boat's decision to participate in a race or to continue *racing* is hers alone.'

Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. By taking part in the event, each competitor agrees and acknowledges that:

- (a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
- (b) they are responsible for the safety of themselves, their boat and their property whether afloat or ashore;
- (c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
- (d) their boat is in good order, equipped to sail in the event and they are fit to participate;
- (e) the provision of a race management team, patrol boats and other officials and volunteers by the event organizer does not relieve them of their own responsibilities;
- (f) the provision of patrol boat cover is limited to such assistance, particularly in extreme weather conditions, as can be practically provided in the circumstances;
- (g) their boat is adequately insured, with a minimum cover of \$AUD 10,000,000 against third party claims.

The Organizing Authority and Class Association are not liable for any direct or indirect loss, damage, costs, or personal injury or death sustained in conjunction with or prior to, during, or after the regatta. It is for competitors to decide whether their boat, equipment, crew and clothing are fit and suitable to sail in the conditions that they might find. By launching or going to sea competitors confirm they and their boat, clothing and equipment is fit for purpose and for the conditions, and that they are competent to sail and compete in them. The organisers encompass everyone helping to run the event and include the Organising Authority, race committee, race officer, safety officer, patrol boat personnel and beach masters. The provision of patrol boats does not relieve owners and competitors of their responsibilities.

19. INSURANCE

The boat is required to hold adequate third-party insurance with a minimum cover of \$AUD 10,000,000, and it is the owner or owner's representative's sole and inescapable responsibility to ensure that the insurance is in place and is adequate.

20. RIGHTS & COPYRIGHT

By entering and participating in the event competitors grant absolute right, authority and permission to the Organizing Authority, the Class Association and the event sponsors in perpetuity to make, use, distribute, broadcast and publish in any media, at their discretion, any photography, audio and video recordings, including drone coverage and other reproductions of them and their boat made at the venue or on the water from the time of their arrival at the venue, until their final departure (and to identify their name) , for all purposes without compensation.

21. DRONES

The Class Association may arrange for one or more drones to film all or part of the racing. This drone may fly within 10 metres of competitors. Drones are inherently potentially dangerous and competitors recognize this risk and should avoid any contact with them. They should not try to touch them.
