

IMSCA Worlds 2021 Class Survey

Survey Results as of 14/06/21

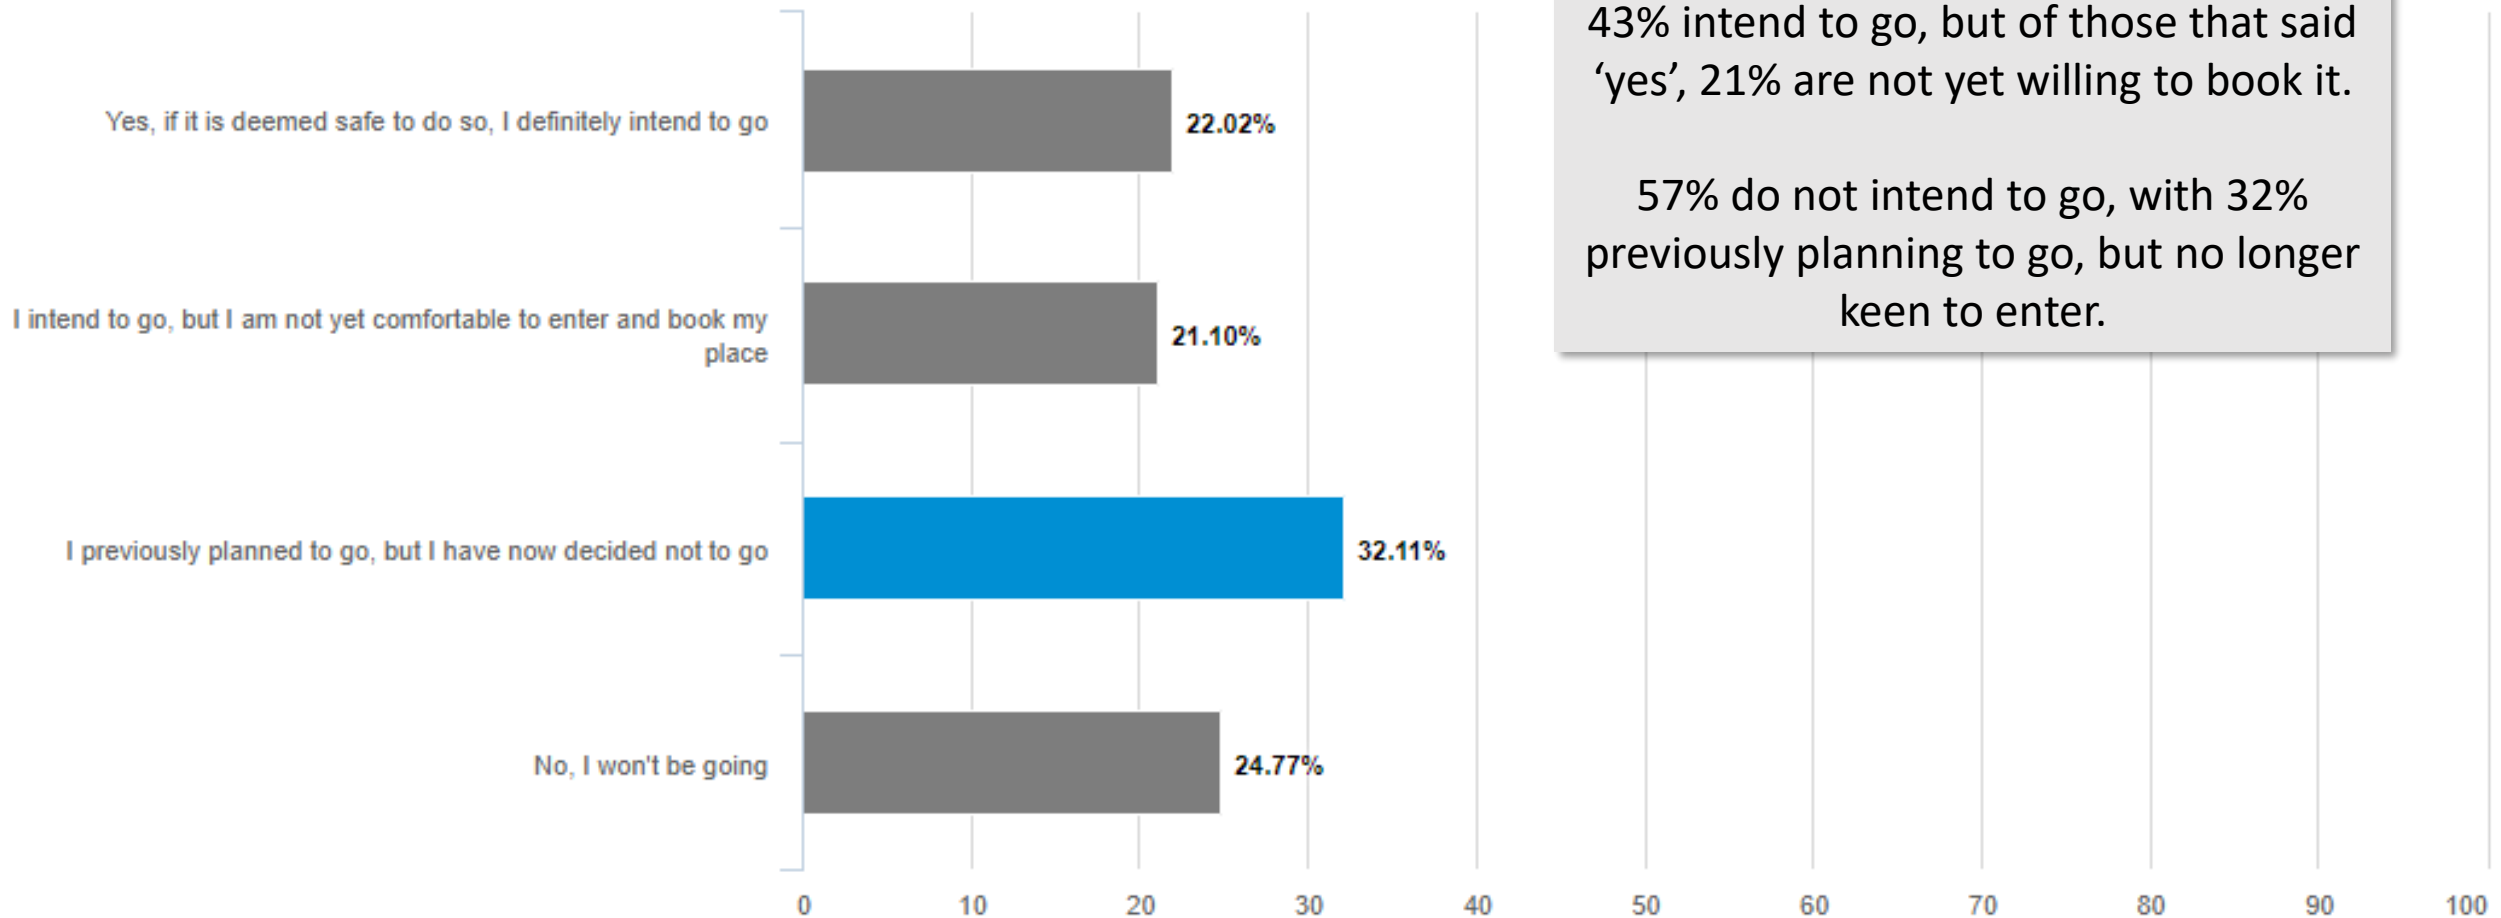

Survey Representation by Country

The GBR Class had the highest representation at 57%, followed by the NED Class (11%), the GER Class (9%), the SUI Class (7%), and the AUS class (6%).

The ESP Class and IRL Class represented 2% of all responses, and the remaining classes represented 1% (being the ITA, BEL, NZL, RUS, USA and FRA Classes).

Results: Are you planning to enter the ACO 11th Musto Skiff World Championships 2021 at Lake Garda, Italy (2021 Worlds) over 27 September to 3 October 2021?

Results: What are the main reasons preventing you from entering the 2021 Worlds?

Covid-19 related reasons were cited in 63% of all responses.

The main reason preventing class members from committing to entering the 2021 Worlds was: 'Too much uncertainty around the Covid-19 pandemic' (at 45%).
